

American Dually™ Goat Registry, LLC

The Best Dual-Purpose Goat

Buck/Sire Service Memo

The purpose of this Service Memo is to verify the breeding service of the listed buck/sire to your dam. A Service Memo is not necessary if you owned both the buck/sire and the dam as of the date of service. A prenatal transfer, in which a dam is sold already bred to its new owner who will be registering the kids under their herd name, is always required.

Dam's Name: _____ Dams's ADGR #: _____

Buck/Sire's Name: _____ Buck/Sire's ADGR #: _____
